

Financial Policy

Our mission is to deliver the finest, most cost effective health care available today. Following your diagnosis, the doctor will advise you of a treatment plan. Additionally, we will discuss with you the cost of today's and future treatments.

Payment Options:

Please check below the form of payment you wish to use to settle your account:

- Mastercard, Visa, American Express or Discover

- Cash or Check
- Personal Insurance (as a courtesy to you, we will bill your insurance company directly)
- Department of Labor & Industries (**Re-opens**)
- Chiropractic Benefit Network (ask our chiropractic assistant for details)

Payment is due the day services are rendered to include any unmet deductible or co-payments. *We are sensitive to the fact that some patients may not be able to pay cash for their treatments; therefore, we offer alternative payment programs for your convenience.*

- Automobile Accident Injury
 PIP 3rd Party Personal insurance Attorney (check one)
- Department of Labor & Industries (**New claims**)

These payment categories will be billed by our clinic. Eligibility of continuing benefits is dependent on your ability to follow the prescribed treatment plan. **In the event that your claim is denied, financial arrangements for monthly payments will be made available to you.**

By my signature, I clearly understand and agree to this policy and that ultimately I am responsible for any financial obligation of services rendered to me.
