### **CHIROHEALTH USA**

Once you decide that you want to accept care in our office you will be required to be a member of ChiroHealth USA. The ChiroHealth USA program allows us to stay in compliance with state regulations concerning discounted fees. The program can be used by you and members of your household. While this program is not a replacement for insurance, it can be used to supplement a major medical health insurance policy. There is a rolling annual \$49 fee that must be paid to ChiroHealth USA when you accept care.
